PAUL CALAS PRIZE 2009
Awarded by the SOCIÉTÉ FRANÇAISE D'ENDODONTIE
With the support of ACTEON and MICRO-MEGA

The SFE Board of Directors decided, in 2008, to award a **Research Prize** in tribute to the late Prof. Paul Calas, of the Department of Conservative Dentistry and Endodontics at the Toulouse University of Dentistry, who sadly passed away in June 2007.

This Prize will go to promote, support and reward the scientist or research team that presents the most original research paper on their theoretical and clinical studies in Endodontics, which has never previously been submitted for publication.

The aim of this Prize is also to share French and International endodontic research with members of the SFE and endo specialists worldwide, in order to create new ties and strengthen existing relationships between practitioners and scientists from the whole profession.

The Paul Calas Prize is an award of 3,000 Euros.

Applications should be made in triplicate before 30 May 2009 and submitted to Dr. Etienne Medioni, Directeur Scientifique de la SFE, UFR d'Odontologie de NICE, 24 Avenue des Diabes Bleus, 06357, Nice Cedex 4 or by e-mail to prixpaulcalas2009@sf-endo.com.

Full details can be found on the SFE website: www.sf-endo.com.

Applications must include the following:

1. Personal details of the author who will receive the Prize, on one page:
 - Name, address and telephone number
 - E-mail address of the project leader
 - Name of the research laboratory (and/or relation)
 - Short *curriculum vitae*.
2. A letter of approval from the Director of the research laboratory.
3. A summary of the research studies as per the layout guidelines given in "Prix Paul Calas SFE maquette résumé" (download from www.sf-endo.com or contact the SFE, see below), in French and English.

This year's **SFE International Congress** will be held in **Arcachon, France on 26 - 27 June 2009**.

Candidates will be informed by e-mail:

- Within one week : acknowledgement of receipt of their application and conformity of the documents provided;
- Within two weeks: acceptance of their application.

Those candidates whose study has been selected, after anonymous submission to an international jury of three members, and then to the Scientific Committee, will be informed of the decision on **30 May 2009**.

The SFE requests that the Prize winner presents the results of his/her study to the public during the SFE International Congress.

Expenses for hotels and meals in Paris and subscription to the Congress will be covered by the SFE. Travel expenses to Paris will be at the Prize winner's charge.

The winner will receive his/her Prize after the SFE has had sight of proof that an article in French or in English has been submitted to a scientific journal with Editorial Committee.
